1. All written contact sent by mail or email between FHFH and its national sponsors is to be generated from the FHFH National Office on official FHFH letterhead as requested by our national sponsors.
2. All telephone contacts between FHFH (Volunteers, Program Coordinators and Staff) and its national sponsors is to be approved by the FHFH National Office as requested by our national sponsors.
3. Our Program Coordinators and FHFH Staff are encouraged to seek new ministry sponsors at both the local and national level. To achieve the greatest amount of success a cooperative effort between the Program Coordinators, FHFH Staff and the National Office is recommended.
